

AutomationAPI::IBuilder

```
graph BT; BlockBuilder[AutomationAPI::BlockBuilder] --> IBuilder[AutomationAPI::IBuilder];
```

The diagram illustrates an inheritance relationship. At the bottom is a gray-shaded box labeled 'AutomationAPI::BlockBuilder'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'AutomationAPI::IBuilder'. This indicates that 'AutomationAPI::BlockBuilder' inherits from or implements 'AutomationAPI::IBuilder'.
